CounterBalance®

CONCEALED and EXTENDED CONCEALED BRACKETS

The **CounterBalance®** Concealed Brackets function as countertop brackets or island brackets that provide additional strength with the vertical arm extending above the horizontal arm while remaining completely concealed behind drywall to make a “floating” look. Designed to be attached to load bearing studs can support an overhang extending 6” beyond length of bracket as per industry recommended standards. Load limit 1800 to 7960 pounds. Comes with hardware. Sold in pairs. Choose the 1” mini or 2” thickness and a variety of colors.

- Hot rolled, 1/8” steel with powder-coated finish for strength and durability
- Available with 9”, 12”, 18”, 24” and 30” support arms.
- Load limit range of 1,800 lbs. to 7,960 lbs. per pair — countertop can extend up to 6” beyond the support
- Supports should be placed every 16” to 20”

SKU: CCH-CBCB
